## EDUCATION

**Lakshmi Narain College of Technology**  
Btech in Information Technology (Cgpa 8.4)

Bhopal, MP

Nov 2021 - Jun 2025

**Dashpur Vidhyalaya Mandsaur**  
Higher Secondary (12th) (89.8%)

Mandsaur

Apr 2019 - Aug 2020

## EXPERIENCE

### EISYSTEM Services

Software Developer Intern

Mar 2024 - Apr 2024

- Developed and maintained responsive web applications using modern JavaScript frameworks, ensuring **100%** functional user experiences across all platforms.
- Implemented cross-browser compatible designs that achieved **80%** faster rendering speeds on mobile devices.
- Designed and integrated RESTful APIs that expanded application functionality by 20%, enabling new features for end-users.

## PROJECTS

### EXPLORATRAILS

Feb 2024 – May 2024

Live [GitHub](#)

- Developed a full-stack travel planning platform with **10,000+** monthly users, reducing trip planning time by **40%** through AI-driven recommendations
- Engineered Gemini API integration delivering **95%** accurate personalized suggestions, increasing user engagement by **35%**
- Implemented Firebase Auth serving **5,000+** registered users with **99.9%** uptime and sub-second response times.

### EVENTPRO

June 2025 – July 2025

Live [GitHub](#)

- Built a MERN stack event platform managing **500+** events with a **90%** successful transaction rate and **2s** page load times.
- Developed organizer dashboards, reducing event setup time by **60%** and increasing admin productivity by **45%**
- Implemented RBAC system handling **10,000+** user roles with **100%** authorization accuracy

### Hospital Management System

Jan 2025 – Feb 2025

Live [GitHub](#)

- Streamlined patient management for **50+** daily appointments, reducing wait times by **30%** through optimized scheduling algorithms.
- Automated billing system processing **200+** monthly transactions with **99%** accuracy, decreasing manual errors by **75%**
- Designed OOP architecture supporting **10+** concurrent admin users with sub-second response times for critical operations.

## TECHNICAL SKILLS

**Programming Languages:** C++, Java, JavaScript, Python

**Libraries and Tools:** Express.js, Firebase, Github, MongoDB, MySQL, Node.js, React.js

**Coursework:** Database Management System, Data Structures and Algorithms, Computer Networks, Object-Oriented Programming

**SoftSkills:** Communication, Leadership, Teamwork & Collaboration.

## ACHIEVEMENTS

- LeetCode Rating 1450 | HackerRank 3-Star (Java)
- Smart India Hackathon 2023 | Contributor, Hacktoberfest 2023
- Bronze Medalist, National GK Olympiad

## CERTIFICATION

- Java programming: Solving software problems**
- AWS Academy Graduate: AWS Academy Cloud Foundations**
- Introduction to Cybersecurity - Cisco Networking Academy (2023)**
